Notes for completing the Booking Form

Staffing and Transport Arrangements

- Please remember to complete the section asking you about driving Centre minibuses and / or cars. Please tick appropriately for each member of staff attending
- Please remember to provide the Centre with your expected times of arrival and departure. These times are essential to our planning of your residential

Special Diets

- Please print off a Special Diet Request Form for **every** person requiring a special diet and tick the box against their name when you receive their completed form.
- Please scan and email the form(s) to us as soon as possible or, if you have a lot of dietary requests, you may wish to post all the forms to the Centre
- Cranedale Centre is a NUT FREE Centre and students and teachers are asked NOT to bring nuts or products containing nuts on to the premises.

Serious Medical Conditions

- Please inform the Centre if anyone in your party has any specific requirements as a result of disabilities or medical conditions which might impact on the student's ability to undertake fieldwork activities
- Please complete the medical section of this Booking Form with a brief summary of the condition
- Should the condition be serious we would appreciate further information, in writing, from parents or a doctor to assist us in providing the correct care and management for the student during their stay with us
- Please be aware that due to the remoteness of the Cranedale Centre, and many of its field sites, it could take 45 – 60 minutes for the emergency services to reach an individual. Should it be imperative that an individual has more immediate access to medical help then serious consideration should be given to whether or not the student should attend the fieldcourse

Religious/Ethical Beliefs

- Please inform the Centre if anyone in your party has any specific requirements as a result of religious or ethical beliefs which might impact on the student's ability to undertake fieldwork activities
