Risk Assessments

We have a very large number of individual study/activity risk assessments for use with all our fieldstudies courses. You are welcome to request those risk assessments for the days that you are studying. Sue Taylor, our Administrator, will be happy to email them to you. Please contact her on [cranedaleadministration@cranedale.com](mailto:cranedaleadministration@cranedale.com) or tel. 01944 738687
