

## Vacancy: Breakfast Cook / Baker

### The Job

An exciting opportunity has arisen for a Breakfast Cook to join our friendly catering team in this reputable Outdoor Education Centre. Responsible to the Catering Manager, the Breakfast Cook will ideally have experience in a commercial kitchen and would be responsible for producing cooked breakfasts for up to 75 students and their teachers. Uniform and full training will be provided.

The Centre is very busy this Autumn and regular work is available during the week and on weekends. You would share the role with another Breakfast Cook and would need to work around 3-4 mornings per week. Additional hours would also be available for baking cakes, flapjacks, cookies, etc for student packed lunches if this was of interest to the applicant.

During our closed periods (mid-December-late January, and August) there is less work available, however holiday pay is paid during the winter closedown period to help maintain a regularity in income. Organised staff socials in December and July also provide some additional hours of work, as well as being enjoyable events for the entire team.

### Hours of Work & Pay

Most morning shifts begin around 5:45am and finish by 9:45am. Breakfast is served from 8am-8:45am. Hourly rates are £10/hr, increasing to 11/hr on Sundays. This is a part-time, permanent role.

For applicants who wanted to take on additional hours baking, this could be done following the breakfast shift.

### Person Specification

Full training will be provided, however previous cooking experience would be an advantage. Familiarity with food allergies / intolerances would also be desirable.

It is essential that candidates are reliable and can work well as part of a team.

Due to the lack of public transport to our village, candidates must all have their own transport.

### Start Date

1<sup>st</sup> September 2021 (with scope for training in late August)
